

County Map

Pennsylvania, like most states, is made up of counties. Each county has a seat or center of government.

1. Locate the county where you live.
2. What counties border your county? _____

3. What city or borough is the county seat of your county? _____
4. How many counties are in Pennsylvania? _____
5. Color the map.

SOMETHING EXTRA

Find the county seats of every county and give a report to your class.
